The Organic Living Water Affiliate Program is suitable for any entity or person wishing to earn a passive income marketing of one of the healthiest products on the planet.

It suits Charities and Clubs wanting a fundraiser program and those who are already selling online. Cafes and Restaurants already selling Unz can leverage their client base long after they have sampled the product by simply referring them to our online shop. Personal Trainers and Health Care Practitioners can ensure a fantastic product is delivered to their clients on a regular basis and earn a commission for their education. Nobody has to stock more than maybe a few samples for taste testing.

How does the Affiliate/Fundraiser Program Work?

After registration and acceptance as an affiliate, we provide you with a FREE (coded) Affiliate link. When a prospect visits the online shop on the www.trius.biz website via your link, we place a cookie on their PC so your name is linked to them. Even if they do not purchase at that time they will still be referenced back to you for up to 12 months. Once they DO purchase they are issued with a customer number and from then on they are permanently linked to you for that sale and all future sales via that customer number.

We look after all the administration for every sale including handling payments by credit cards, delivery & repeat orders. Customers are encouraged to enter a recurring monthly order so they never forget to order and you will keep earning repeat commissions (passive income).

Affiliate Sales Example:

- Sell 100 cases per month through your affiliate link to our website.
- Introduce 5 others who also personally sell/refer 100 sales each.
- You would earn 100 x \$8.00 (\$800) for your personal sales
- You would also earn 500 x \$2.00 (\$1000) from your referred affiliates' sales
- Total income for that month would then be \$1800
- The more that is sold (by you or your sub-affiliates) the more you will earn
- Affiliate Commissions are paid monthly by PayPal
